But LOT Airline gives only economy class ticket to Brudny Żyd to go to Poland. Brudny Żyd hesitates to go to Poland economy class. Brudny Żyd does not like the small seat and the bad food and the bad service in economy class. But after hesitation Brudny Żyd decides he will go to Poland. Okay I go to Poland Brudny Żyd says to himself. Still Brudny Żyd does not want to travel to Poland with all the Pollacks in economy class. Brudny Żyd nonetheless decides to go to Poland because he wants to be famous even in Poland. Brudny Żyd says to himself What the Hell let's go to Poland. So Brudny Żyd is at the airport checking in at the LOT Airline counter to go to Poland. At the LOT Airline economy

counter Brudny Żyd explains with pleading smile to charming Pollack LOT lady who checks him in that he's happy to go to Poland but he would prefer to go there first class or even business class rather than economy class. Brudny Żyd does not tell charming sexy LOT lady that he does not want to travel economy class because of all the Pollacks and the bad food. Brudny Żyd explains to charming sexy friendly LOT lady he likes first class or even business class because the seats are so much bigger and wider and so much more comfortable and since Brudny Żyd has a bum knee from playing too much tennis it would be better for him to go to Poland first class or even business class. Brudny Żyd of course is lying about his knee. Brudny Żyd has no problem with his knees. On the contrary Brudny Żyd has very strong knees. If the charming sexy friendly beautiful LOT lady wanted to he would wrap his knees around her to show her how strong his knees are. Brudny Żyd does not say that to the charming sexy friendly beautiful eager LOT lady he only thinks that to himself. Also Brudny Żyd does not mention that he likes first class or even business class better because of the filet mignon they serve for dinner and also the champagne and the fine French wines and the extra bread and the exquisite friendly service from the beautiful sexy LOT stewardesses who all speak with such sweet and sexy Polish accent. No. Brudny Żyd simply asks if possible he be upgraded because of his bad knees. Charming LOT lady smiles sexy smile and says Why not just like that. She likes Brudny Żyd. She senses he is a famous man. Brudny Żyd is so happy he almost jumps over counter to embrace charming LOT lady but refrains from doing so. Brudny Żyd does not want to be noticed by the Pol-

lacks who are waiting in line behind him. And so to expedite the story a bit Brudny Żyd travels to Poland in business class. Charming LOT lady explained that first class was impossible because she could get in trouble with LOT Airline authorities but business class is okay. In business class Brudny Żyd gets lovely little kit full of lovely little Polish things. In the business class Polish kit Brudny Żyd finds a mini Polish toothbrush a mini Polish tube of toothpaste a Polish razor a Polish toothpick a pair of Polish slippers and many other Polish things. But Brudny Żyd does not use any of the Polish things in the kit. Brudny Żyd does not trust Polish things. Brudny Żyd does not trust Pollacks either. Brudny Żyd would love to fuck cute charming sexy friendly beautiful Polish lady LOT stewardess who gives him great service in business class. The one with the big Polish boobs. But Brudny Żyd is afraid that his cock would reveal that he is Brudny Żyd. On his way to Poland Brudny Żyd is suddenly sorry that he is on his way to Poland. Brudny Żyd knows that it is too late now to turn around. So Brudny Żyd says to himself Fuck it I'll go to Poland. Brudny Żyd hopes everything will be Okay for him in Poland. While all the Pollacks in economy class are getting drunk on Polish vodka and making a lot of noise Brudny Żyd wonders as he tries to get some sleep in the big wide business class seat after he ate the good filet mignon and drank lots of fine French wine if he will ever come out of Poland alive. Brudny Żyd knows that many Brudny Żyds never came out of Poland. Now he doesn't give a shit any more if he becomes famous in Poland. He can become famous somewhere else. All he wants is to come out of Poland alive. Brudny Żyd is worried that he may end up in a

Polish bar of soap. If Brudny Żyd is given a choice in Poland between becoming a bar of soap or a lampshade he will tell the Pollacks that he prefers to become a lampshade. Brudny Żyd knows from experience that lampshades have more of a future than bars of soap.
